BALANCE KITS

All Customer Balance Kits contain one BalanceTest™ in the first delivery, plus a second FREE BalanceTest that will be delivered after 120 days. This way you can do each test at the right time to see both your “before” and “after” results. To qualify to receive your second FREE BalanceTest you must include at least one Balance Product with each of your monthly “subscribe & save” orders during the first 120 days.

• Retail = Retail Price • S&S = Subscribe and Save Price • CP = Customer Point • CR = Credits
